

Harvest Farms Community Association
2018 Board Elections
Nominations and Statements of Qualifications

Susan Andersson	We have lived here (on Hammond) since 2013. I have two kids, one in middle school and one in elementary. We enjoy living in the community. My daughter and I have volunteered to help with the Fourth of July picnic.
Michele Carroll	I've lived in Harvest Farms for over 23 years, and I've been an active member of the HOA board for more than half of them. While on the board (and off) I've organized the 4th of July games for the children, held several block parties for all of Harvest Farms, organized several bonfire nights, and held a Safety Night with the Sheriff's department. I've worked on boards for multiple civic organizations at the community and county levels, maintaining a strong community focus.
