Stormwater Management Inspection

Dear Mr. Hull:

The Harvest Farms Stormwater Management structure was inspected on August 21, 1991 by Myron Frock of the Bureau of Stormwater Management and Sediment Control. The County will accept Stormwater Management facility ownership. All Stormwater Management bond money will be released for this project when the following signed agreement is received in this office.

It is understood that the Home Owners Association will be responsible for the surface maintenance of the Harvest Farms Stormwater Management Facility including mowing and landscaping.

Home Owner's Association Representative	Title	Phone Number	Date

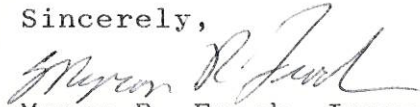

The County will be responsible for the structural maintenance of the Stormwater Management Facility.

Please forward this to the Home Owner's Association for signature. The County will not accept ownership until the above requested signature is submitted from the Home Owner's Association.

If you have any questions or require additional information, please contact me at (301) 857-8124.

Sincerely,

Myron R. Frock, Inspector
Sediment Control/Grading Inspector
